

CHICOPEE ALANA

African Latino Asian Native American

ALANA is a diverse group of highly qualified educators dedicated to supporting the academic, social-emotional, and cultural needs of all students, staff, and families of color in the Chicopee Public School District. Our purpose is to empower people of color in the Chicopee Public Schools by dismantling explicit and implicit racial bias through dialogue, collaboration, and support.

CEA The Chicopee Education Association is a member driven organization dedicated to improving the quality of public education, increasing student academic achievement, upholding professional standards, advancing the economic well being of our members, and protecting their rights.
